

Madrikhim Program 2018-19

Dear Prospective Madrikhim,

The Polsky Religious School (PRS) is now accepting madrikhim applications for the 2018-19 school year.

This program invites teens such as you (9th-12th grade students) to serve as teaching assistants in our religious school or to help with programs on Shabbat. In order to be a madrikh (boy) or madrikha (girl), your parents/guardians must be members of Congregation Beth Shalom, and you must be a student at either the Polsky Religious School or the Hyman Brand Hebrew Academy. *Most importantly, however, you must demonstrate a level of maturity that is appropriate to the level of responsibility the job entails.*

As a madrikh(a), you would help in a classroom on a weekly basis, work with small groups of children on specific concepts, assist in the office, Tots for Torah (weekly) or Shabbat Kids' Club (monthly). Our teachers value and rely on their madrikhim, as your presence in their classrooms enables them to be more effective teachers.

Madrikhim will meet with me periodically throughout the year, immediately after religious school, to reflect on your role in the classroom, address any challenges as they arise, and to learn how to be leaders in the classroom. Returning madrikhim are encouraged to take on more of a leadership role in their classrooms, working more closely with teachers as they become more and more experienced.

In order to be a madrikh or madrikha, please fill out the application form, and **return it to the office AUGUST 10, 2018.** Please note that there are a limited number of positions available and preference will be given on a first-come/first-served basis and to those who are available to work the entire school year.

L'Shalom,

Hazzan Tahl Ben-Yehuda
Director of Congregational Learning
