*In 2005 Beth Shalom established **The Pillars of the Congregation** to honor major dues contributors. These members support the synagogue beyond the highest dues level to help insure that our congregation is financially sound.*

*In recognition of their generosity, the names of the Pillar families are prominently displayed in a beautifully designed glass case in the foyer outside of Goldsmith Hall. In addition, contributors receive a special listing in the High Holy Days donor publicity and in other ways throughout the year. **Pillars will be listed as anonymous at their request. The Pillars of the Congregation** categories are based on the total contribution of both dues and High Holy Days Appeal gifts.*
