*It is an ancient and widespread custom for the firstborn to fast on the day before Passover commemorating the miracle which spared them from the plague that struck down the Egyptian firstborn.*

*This fast is treated leniently.*

*Thus, if there is a festive meal that relates to a mitzvah (for example the completion of a tractate of the Talmud), the firstborn participates in the meal rather than fasting.*

*With this in mind—all Beth Shalom firstborn are invited to join us for services and a siyyum (celebration) as we complete a tractate of Talmud.*
