"HILARIOUS! A one-man show with three-jokes-per-minute. (Yes, I laughed at every one.)"

## JUST FOR US

Sunday, May 19, 7:00pm at Yardley Hall

Following acclaimed runs in New York, London, Edinburgh, Melbourne, Boston, and Washington D.C., as well as a six-time extended Off-Broadway engagement leading into Broadway, Alex Edelman's *JUST FOR US* is coming to Kansas City for one night only!

In the wake of a string of antisemitic threats pointed in his direction online, standup comic Edelman decides to go straight to the source; specifically, Queens, where he covertly attends a meeting of White Nationalists and comes face-to-face with the people behind the keyboards. What happens next forms the backbone of the shockingly relevant, utterly hilarious, and only moderately perspirant stories that comprise *JUST FOR US*. Expertly crafted by one of comedy's most distinctive voices, this singular theatrical experience is an exploration of identity and our collective capacity for empathy — oh, and it's also “belly-laugh funny!” (The New York Times)

“Superb! Just for Us has been chiseled to diamond-cut perfection. It's a joyous, uproarious 90-minute show from one of the funniest minds of this generation – or any generation.”

--The Washington Post
