As fall approaches, we anticipate the High Holidays, a time of personal and congregational renewal, reflection and hope.

Please support this year's High Holiday Appeal. Your participation is crucial to sustaining our combined congregation.

Please complete the attached form or donate online at www.bethshalomkc.org. If you have any questions, feel free to contact contact Ace Allen at ace.allen@me.com.

I look forward to your participation in this year's High Holiday services and sharing many of our planned activities with you throughout the year.

Thank you for your continued membership and support of our synagogue.

L'Shanah Tovah,

Ace Allen,

VERY GENEROUS MATCHING GRANTS

VERY GENEROUS MATCHING GRANTS

Ten families have generously agreed to provide matching grants for the first \$8,500 in combined new donations and increased pledges by families above the amounts given by them last year.

What does that mean? If you give an additional \$10, the High Holiday Appeal will actually receive \$50. Similarly, an increase of \$18 will generate \$90 for the Appeal, and raising your pledge by \$100 will be worth \$500.

The High Holiday Appeal is a vital part of our congregation's financial plan. Membership donations alone are not enough to support our synagogue. They do not cover our operating expenses, much less the many of support services we provide. This is by far our largest fundraiser of the year.

LET'S SET A NEW RECORD TOGETHER!

Let's see if we can set a record this year. Please be as generous as possible, to offset our increased costs due to inflation, and to better serve our members.

\$10 increase will become \$50
